

Itoshima City Kyushu University
International Village Exchange Event

Happy
New Year !

あけまして
おめでとう !

Happy New Year to the world!

Itoshima City is working to build a community where local residents and Kyushu University students (including international students) live together and support each other in the Tomari district, a town near the university. This time, we are holding an event themed “New Year’s Around the World” to experience and share New Year's cultures. We hope you will join us.
